RESPONSE TO OFFICE ACTION

Commissioner for Patents
Box NON-FEE AMENDMENT
Washington, D.C. 20231

Sir:

In response to the outstanding office action concerning the above-referenced patent application, kindly consider the following remarks.

REMARKS

Applicant respectfully requests reconsideration of the present application in view of the reasons that follow.

The present claims concern a cholesterol-free margarine that is formed from a blend of polyunsaturated fat and saturated fat to create a margarine that has polyunsaturated fatty acids and saturated fatty acids within specified ranges.
